Facials

Firming Algae Facial - This is a special skincare experience that will give you instant results. This facial employs an innovative peel off technique that stimulates cell activity and firms the skin. \$120.00

Firming Algae Eye Mask - This eye treatment has a smoothing effect on the skin and is perfect for reducing signs of fatigue around the eye area. \$50.00

Collagen Facial - Our collagen facial is designed to minimize fine lines and wrinkles while promoting collagen synthesis, giving the skin a youthful appearance and increasing elasticity. This facial is extremely calming and is good for moisture depleted skin. \$100.00

Biogen Cellular Facial - Designed to treat extremely stressed skin before and after surgical treatments. This reparative treatment thoroughly regenerates the skin barrier with long lasting effect. It is designed to improve skin suppleness and flexibility. Biogen Facial will promote healing, assisting in scar tissue regeneration. Scars will heal faster and appear less visible. \$120.00

Deep Pore Cleansing Facial - This is a purely clarifying treatment that includes our Aestheticians choice of cleansing mask to melt away impurities. The deep cleansing facial also includes steaming, extended extractions, cell stimulating massage and a customized treatment cream. \$75.00

Vitamin C Antioxidant Facial - The vitamin C facial is a concentrated treatment using one of nature's most powerful antioxidants. This facial is designed protect the skin and help promote cell renewal for an overall healthier complexion. \$90.00

Peels

Illuminize Peel - The Illuminize Peel by SkinMedica is our gentlest peel. It will provide the brightening, tightening and glow that you desire if you have an upcoming event or just want to reveal the look of more youthful skin. There is no downtime and no visible peeling. \$120.00 each or \$480.00 for series of 6 peels

Vitalize Peel - The Vitalize Peel by SkinMedica is our most popular chemical peel. It is suitable for all skin types and produces noticeable improvement to skin texture, tone and fine lines. Patients with moderate skin conditions including sundamage, fine lines and wrinkles, acne, acne scarring and melasma will benefit from this peel. Expect mild to moderate peeling for 2-3 days. \$150.00 each or \$750.00 for series of 6 peels

Rejuvenize Peel - The Rejuvenize Peel by SkinMedica is the deepest peel SkinMedica offers, penetrating into the epidermis to produce significant results with minimal irritation. Patients with moderate to severe skin conditions including sun damage, fine lines and wrinkles, acne, acne scarring and melasma will benefit from this peel. Expect moderate peeling that can last 5-7 days. \$250.00 each or \$800.00 for series of 3 peels (series includes post-procedure kit)

Microdermabrasion

This is a great exfoliating method that takes care of the outer layer of skin revealing a fresh new layer of skin. This is a painless procedure that uses an air powered flow of crystals to exfoliate the skin. It is great for minimizing fine lines and wrinkles and will help with scarring. \$130.00

Prescription Grade Products Available

Obagi, SkinMedica, Revision, Jane Iredale Makeup, Latisse.

Lasers

Fraxel Restore - This is a non ablative procedure. The fractional laser was created to restore aging and damaged skin. It is great for improving skin tone and texture. The Fraxel Restore has been FDA cleared for the treatment of aging skin, sun damaged skin, melasma, acne scars as well as surgical scars. It can be used on all parts of the body. Price varies per treatment area.

Rejuvelux Laser Treatment (IPL) - This is a fantastic treatment for anyone who has spent time in the sun. The Rejuvelux laser uses pulsed light to treat sun damaged skin, age spots and vascular lesions on all parts of the body. Pricing varies per treatment.

Laser Hair Removal - We use the Candela Gentelase which is the gold standard in hair laser equipment. Treatments are sold in packages of 6-10 depending on the patient. Price varies per area.
